The Making of a Disciple

“and Peter”
Mark 16:7

Repentance requires deep remorse, a broken and contrite spirit.

You are not insignificant.

You are not forgotten.

Jesus knows what you have done and your every failure, but He still calls your name.

Will you, like Peter, respond to Jesus with deep remorse and no excuses?

Healing and restoration cannot begin until you come to Jesus.

How does this apply to me?
