

Daniel 7 is a revelation of heaven's worldview.

Kingdoms of Earth (2-8, 17)

The Sovereign in Heaven (9-14)

1) The Ancient of Days Reigns (9-10)

The little horn is silenced. (11-12)

2) Son of Man appears. (13-14)

The rest of the story. Future history explained. (15-28)

Contrast between the Antichrist and the Son of Man:

Little Horn

His big mouth reveals extreme pride. (8, 11, 20)

His dominion is taken away from him. (12, 26)

His kingdom is to be consumed and utterly destroyed. (26)

Son of Man

Humility. He is presented (escorted) before the Ancient of Days. (13)

He is given dominion. (14)

His dominion is everlasting which shall never pass away. All dominions shall serve and obey Him. (14, 27)

How does this apply to me?

For next week: Read Daniel 8

Ask yourself why these times are called the times of indignation (v19).
