

What do we know about angels?

They are created beings. (Ps 148:1-5)

Winds, ministers, flames of fire (Hebrews 1:6-7)

They can be sent to guard God's people. (Psalm 91:11)

They can be sent to strengthen God's people. (v18; Jesus Lk 22:43)

They do God's will. (Psalm 103:20)

Fellow servants. We don't worship them! (Revelation 22:8-9)

Satan and his angels rebelled and were cast out. (Isa 14:12-13; Jude 6)

Servants reflect their Sovereign.

If this is an angel, he reflects His Sovereign.

We should reflect our Sovereign.
