When Weak Prayer is Powerful
Pastor Brent • January 23, 2022
Romans 8:26-27

I. Weak prayer is expected.

Weakness is not just our experience once in a while. It is our natural state.

II. You've got help.

The Spirit intercedes for us.

Jesus intercedes for you as well.

Weak prayer is expected, but weak prayer is not anemic prayer.

You have a prayer partner who really knows how to pray!
