

Why Hebrews is so important for us today:

Jesus is central, sufficient, supreme. We must turn our thoughts to Him first!

God has spoken, primarily, supremely, conclusively through Jesus.

1. God is not silent!

God's word is so perfect, that not one smallest piece can be altered.

The scriptures are His words.

Inerrant, infallible, absolutely true, authoritative.

2. God's ultimate word to us is through Jesus.

How does this apply to me?
