The Joy of Generosity
1 Chronicles 29

When we grasp the generosity of our God, (Genesis 1)
we develop an acquired taste for being generous (Haggai 1)
that results in great joy (1 Chronicles 29).

I. A Picture of Generosity (1-9)

As much as I can.

From a willing heart.

II. The Source of Generosity (10-16)

It is all His.

We give Him what is already His.

III. The Joy of Generosity (17-22)

Giving back to God what is already His produces joy.

How does this apply to me?
