A STUDY THROUGH PROVERBS

Money Sense

The Wealth Illusion

Proverbs 11:3-7; 18:11, 23; 13:11; 20:21

It is better to live right than to live rich.

1. The unbridled lust for wealth has the illusion of strength but always implodes in the end.
2. Integrity and righteous living have enduring benefits.

Integrity is completeness, wholeness, perfect, meeting the standard.

Integrity keeps our way straight.

Righteousness delivers from death.

Our righteousness is ultimately in Christ alone.

How does this apply to me?
